Shelmond Eugene Bimantara
Front-End Developer & Mobile Developer

Bekasi, Indonesia | Phone: +62 812 6030 2590 | Email: shelmondbimantara@gmail.com

SUMMARY

Informatics Engineering graduate from Universitas Kristen Satya Wacana with hands-on experience in software development through a software engineering internship, teaching assistance, and personal projects. Experienced in Front-End and Mobile Development, with additional experience building backend services and integrating Generative AI into applications. Proficient in JavaScript/TypeScript, Flutter, React/Next.js, Node.js, and Firebase, with a strong interest in building scalable and user-oriented software solutions.

EXPERIENCE

UNIVERSITAS KRISTEN SATYA WACANA – Salatiga, Indonesia
Teaching Assistant (Aug 2023 – Dec 2024)

- Guided students in practical sessions and discussions for courses such as Introduction to Programming (C), Introduction to Information Technology (HTML, CSS), Human-Computer Interaction (UI/UX, Figma), and Artificial Intelligence (Python).
- Explained technical concepts including programming logic, algorithms & flowcharts, computer hardware & software, operating systems, UI/UX design, and real-world applications in projects.
- Provided academic support through constructive feedback, project supervision, and interactive teaching approaches to improve students' technical skills.

CODING CAMP POWERED BY DBS FOUNDATION – Salatiga, Indonesia
Team Leader & Front-End Developer (Feb 2025 – Jun 2025)

- Developed the website interface.
- Managed team workflows (Front-End, Back-End, and Machine Learning) using collaborative tools such as Spreadsheets.
- Acted as a communication bridge between divisions to ensure project milestones were delivered on time.
- Focused on building a hotel booking system with review classification powered by Machine Learning.

PT. BRINGIN INTI TEKNOLOGI – Jakarta, Indonesia
Mobile Developer (Sept 2025 – Feb 2026)

- Developed internal company Enterprise Resource Planning (ERP) mobile applications using Flutter and Dart to streamline corporate workflows.
- Implemented secure user authentication flows to ensure authorized employee access to sensitive internal systems and data.
- Integrated the application with Firebase services, including Firebase Authentication and Realtime Database/Firestore, to ensure efficient, real-time data synchronization.
- Collaborated with internal cross-functional teams to design and customize application features, successfully improving daily operational efficiency.

EDUCATION

UNIVERSITAS KRISTEN SATYA WACANA (2022 - 2026)
Bachelor's Degree in Informatics Engineering – GPA 3.81

TECHNICAL SKILLS

- HTML/CSS
- Javascript
- Tailwind
- React JS
- Next JS
- Express JS
- Dart
- Flutter
- Firebase & Supabase

INTERPERSONAL SKILLS

- Project Management
- Leadership
- Teamwork
- Adaptability
- Goal-Oriented
